## Technical Data

### Product properties

|      |      |
|------|------|
| Type | high |
|------|------|

### Marking

|          |           |
|----------|-----------|
| Printing | 21 ... 30 |
|----------|-----------|

### Material specifications

|                                        |                                |
|----------------------------------------|--------------------------------|
| Color                                  | white                          |
| Material                               | PA                             |
| Flammability rating according to UL 94 | V2                             |
| Components                             | free from silicone and halogen |

### Dimensions

|       |        |
|-------|--------|
| Width | 5 mm   |
| Pitch | 5.2 mm |

### Standards and regulations

|                 |              |
|-----------------|--------------|
| Wipe resistance | DIN 30646    |
|                 | DIN VDE 0611 |
